Dear Bill:

You're getting my first letter on the first day of
camp, so pat yourself on the back!

Dad and I had the best time coming down here -
I'm crazy about this south. We went 100 miles out of our
way to go thru the Cumberland mountains. Climbed 14
miles to the top of one peak and walked across the
boundary to N. Carolina.

You should see this camp. Its on

top of Look Out Mt. miles from nowhere.
 Its divided into units according to age and the
 course one is taking. We get our water from
 wells which ~~we~~ look
 like this.  I can't
 draw it but you know
 what I mean. a bucket
 on a long rope. I see 3-16
p2/7
 where I get plenty
 of muscle in my arm.
 I think I need it cause
 I can't hold my
 hand steady enough
 to write decently. But
 what won't two months
 routine and rest
 do to me. I'll weigh
 150 and soon.

I don't have much
 to tell you. A darling
 southerner from ⁽³⁻¹⁶⁾
 somewhere and ^{P3/7}
 I have a tent all
 to ourselves. She looks
 very Japanese. Her
 eyes go this way 
 real far apart and
 she wears her long black
 hair straight back
 now you know
 all about her don't you?
 I'm just dead so
 I think I'll sleep the
 last half of this rest
 hour. Write often - please.

Sunday.

As the mail doesn't go
out until tomorrow,
& I'll write some more,
As luck would have it,
& volunteered for dishes
twice yesterday, and
that's our kaper for
today too.

We had the loveliest
camp fire last night
on the rocks. They are
flat and sort of
grooved in a space about
as large as C.F.R.'s
camp fire clearing. It's
