Dear Mums + Jimmy,

Here we are in
36th St. Airport! The plane is
delayed for some reason, so I
have a chance to say ~~you~~ good bye
to you for the last time in the
U.S.A.

We had two

Dear Mums & Jimmy,

We are in 36th St. Airport! The plane is delayed for some reason,
so I have a chance to say goodbye to you for the last time in the U.S.A.

We had two delightful visits with ~~PAA~~ (it's so early in the
morning I'm still asleep!) the Blisses and Mr. Bishop, who are as nice as
ever if not more so, and got to see quite a few of our old haunts and my
old PAA colleagues. But we weren't able to squeeze in visits to Coconut
Grove or Matheson Hammock. I looked

up Mr. Johnston in the telephone directory, called him up, and got no answer twice. Mr. Bishop tells me he's getting fantastic rents for his houses, so apparently all is well with him.

They all sent their regards to "my charming mother", as Mr.

Bishop put it.

I send my love to you both.

LPK

P.S. William says love & goodbye, too.
