Dearest Willie:

We just received your wire telling us of your reappointment to Dakar and here is all the good luck & fortitude to take along on your new adventure. It is needless to say, that we spent some very anxious moments until we finally

heard from you - and
it was certainly a relief.
It has been a long
time since we have
written to you due to
your unsettled plans
but shall try to catch
upon the news from
now on.

Last week I spent in
Washington. Martha
Mitchell Aunt Leila +

vacation at the hotel.

heard from you - and it was certainly a relief. It has been a long time

catch up on the news from now on.

Last week I spent in Washington. Martha Mitchell, Aunt Leila
& I drove Mel down to spend the rest of her vacation at the [Raleigh]
hotel.

She has been in Summer School
 working out 2 credits this summer.
 Your favorite city was full of
 activity & bubbling over - the
 temperature was terrible - but
 we kept the air conditioning
 apparatus running in our
 rooms & were very comfortable.
 The temperature here is near
 the 100° + 106° mark - very unusual.
 We go to the country after the
 store closes & stay until after
 breakfast - It is only a 15-
 minute run from town &
 while warm it could be worse.
 We are anxiously awaiting
 word from you. Your father
 goes to Vandalia on ~~Sept 16th~~
 My school begins Sept 2 - I dread
 to think of teaching but when there
 is no money one must work -
 especially in the face of the
 sort of thing we can expect financially.
 Write us and with much love
 from us both and all good luck
 Sarah
