Dear people,

Morgan' - that's me!

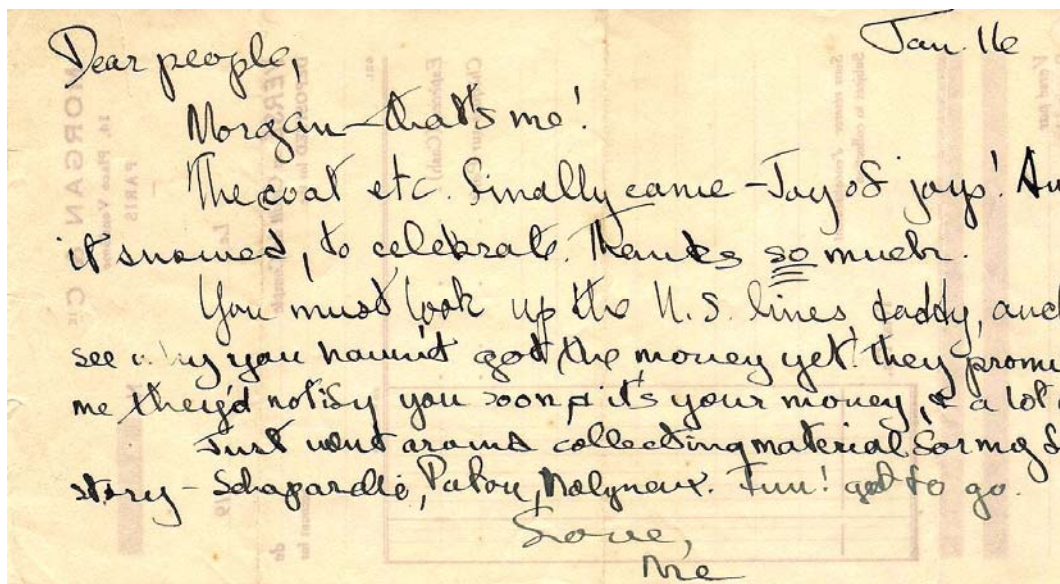

The coat etc. finally came - Joy of joys! And it snowed, to celebrate. Thanks so much.

You must look up the U. S. lines, daddy, and see why you haven't got the money yet! They promised me they'd notify you soon & it's your money, & a lot of it.

Just went around collecting material for my first story - Schaparelli, Patou, Molyneux. Fun! got to go.

Love,

Me
