Acting Chief, African Unit
Board of Economic Warfare
Department of Commerce Building
Washington, D. C.

Dear Gil:

I am enclosing correspondence on Miss Philinda Jones.

Sorry, but I don't think we can do anything for her. As you state in your letter, she will marry Bill Krieg, the Vice-Consul in Lagos, and we do not look too favorably on having two members of the same family in nearby territory.

Hope to see you soon in Washington. Sorry I can't be of any help on this particular matter.

Cordially,

Lawrence Fertig
