

ADDRESS OFFICIAL COMMUNICATIONS TO
THE SECRETARY OF STATE
WASHINGTON, D. C.

DEPARTMENT OF STATE
WASHINGTON

December 3, 1942.

L-229

Dear Mr. Finch:

This will introduce Miss Laura Philinda Jones who has been appointed as a clerk in the Consulate General at Lagos. That office is very much in need of clerical assistance and for that reason we are anxious that Miss Jones shall get under way as soon as possible. She is also the fiancée of Vice Consul Krieg at that office and, in as much as they plan to be married with the Department's approval upon her arrival, she is being obliged by the Department to pay her own passage.

If there is anything you can do to assist Miss Jones in obtaining passage on one of the "fast" vessels which are frequently chartered by your line, not only I but the staff of the Lagos Consulate General will be most appreciative.

Sincerely yours,

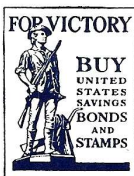

Perry N. Jester
