Dear Mr. Seager,

Supplementing the receipt signed on the safe arrival of the lamp shade, I wish to thank you for it and the accompanying letter. You will be, or if not, should be, pleased and gratified to learn that I have placed your delightful and informative letter in my personal file of interesting items- a rare honor, I assure you. Lesser letters get thrown in the wastepaper basket, but yours I hope to chuckle over in future.

I hope to come down and stir up more trouble for you soon, in connection with another lamp shade which Mrs. Marjory Davis will be paying for.

The lamp shade has been placed in state upon the base, and barring a strong wind, I think it will stay on.

Sincerely,

(Mrs.) William L. Krieg
