Dear Philinda & William:

Just a note to Sarah's letter to tell you that I sent two boxes to you last December and your letter came telling of receiving the one and the other arrived back home last week. Can't understand it. I will forward it to you in a few days.

We have been having a very backward spring, has rained all but two days of this month and we are way back with the garden. The grass is also getting away from us and I have plenty to do.

Merchandise is getting no better and it is going to be real tough on us quite soon.

Janie sent on your letters to us and we enjoyed them very much as we did your letter which came last week.

We are all well but quite busy, but I shall try to get a regular letter to you soon. Love and best wishes to you both,

Yours,

*Laddy.*
