

June 8 evening

P-109

I have just received the Newark paper I am glad you have so many sweet potatoes plants set I would have been glad to have got Phil in my place but could not I want to put my time in this week so I will be of duty on Sunday I want to go to meeting in town I owe twenty five cents quartage that was paid to me by some one Brother Fleming could not make the change when I paid him the last time You can pay it It is credited on the Book but was not paid I want you to give the class Book to Brother Fleming & tell him to apoint another leader The taxes are paid for the whole year You can see if you look for the receipts Well I would like very well to come home Satturday night & spend the Sabath with you but you need not look for me

Thursday morning I must now finish this letter so I can get it in the office before I start out I will have to an other blouse be fore too long as the old one is getting some holes in it I dont when we will draw any more close Not very soon I will see what the price is in town here & if they are to dear I will have you get me one and some check shirts & sent them to me Well I would like to write more but I wont have time now I would like to write to Cary and Ettie a long letter I wonder how they are getting along learning their lessons How I would like to heare Ettie spell I must or I will not get this letter mailed to day You must excuse this letter & I will try to make the next more interesting We have had a nice shower this morning
