Dearest Ninnys:

I am taking a few minutes of office time so that I can tell you about something which I am sure you will enjoy hearing. I have just received word that the Foreign Service Officers' Training School will be held this year beginning September 5, and I am to be recalled to Washington by that time. I am making tentative plans to sail August 22 on the Washington, and will arrive in New York August 31. This should give me a few days at home before the school begins, and a chance to see you and dear Aunt Vonie before you return to Florida. As you know, this early a recall was

As you know, this early a recall was

not expected. It only goes to show that you
 can't make plans on the Foreign Service. S-34

 One never knows from one day to the next
 what will happen. I imagine these plans
 could be changed if war broke out, but I am
 hoping that that will not happen.

As soon as Janie arrives, I will get in
 touch with her and see if she can make
 arrangements to stay over here for three weeks
 more and return with me on the Washington.
 I hope she will be able to ~~carry~~ carry this
 out, but there may be difficulties in getting
 a refund from the Italian Line, on which
 she is planning to return. One of the rooms
 in the apartment where I live will probably
 be vacant, so I will be able to take care of
 her very nicely.

I am leaving July 1st on my vacation, and hope that everything will work out well. My friends in England write that they are thinking of hiring a car, which would only cost \$15 a piece for two weeks. Then I shall return to Germany to meet ~~Janie~~ Janie, and we will decide then what to do.

I can't take time to write any more, as I want this letter to catch a fast boat. I hope you and Aunt Vonie will have a very pleasant summer in Newark. I often wish I were at the Old Munny Pool again, basking in the sunlight. I'm pretty pale now. Never get out in the sun.

You will, of course, pass the news along to Daddy and the rest of the family.

With all my love,
William
